Technical drawing of a rectangular metal structure, likely a frame or enclosure, showing dimensions in millimeters. The structure is composed of several rectangular panels connected by a central vertical section. The overall dimensions are 174 mm in width and 206 mm in height. The structure features a central vertical section with a hexagonal pattern, flanked by two large rectangular panels with a cross-hatch pattern. The top and bottom panels are also rectangular with a cross-hatch pattern. The structure is supported by four legs, each with a width of 45 mm. The top panel has a height of 53 mm, and the bottom panel has a height of 53 mm. The central vertical section has a height of 126 mm. The side panels have a width of 80 mm. The overall width is 174 mm, and the overall height is 206 mm. The structure is shown in a perspective view, with the top and bottom panels slightly offset from the central section.
